

## Free Employability Programme

Caudwell Children are offering opportunities for young adults with autism or disabilities to join one of our ten week (10) 'Employability skills' programmes that are aimed at upskilling and introducing young adults to the world of work with skills for a digital age.

- ⇒ Completely remote via Microsoft TEAMS
- ⇒ Two full days per week of sessions
- ⇒ Employable and life skills workshops
- ⇒ Digital skills workshops
- ⇒ 3 months employment support

16-25

Within this ten week programme a set pathway will be designed aimed at each individual learner's requirement and needs, with the desired end outcome being progression into Education, Further training or Employment.

### Eligibility:

- ⇒ Autism or Disabled
- ⇒ Ages 16-25
- ⇒ Living within the Stoke-on-Trent or Staffordshire area
- ⇒ Unemployed

While the challenges of employment are huge, so are the rewards. If you're interested or just want further information, visit our website or get in contact:
